### Content of the Disclaimer

I, \_\_\_\_\_, identified with ID / Aliens card / passport N°. \_\_\_\_\_ consider article 1 on the Individual Responsibility of the Maximum and Ethical Standards of the UIAA Mountain Code, issued in Austria, on 2001, which reads as follows: "A mountaineer or climber performs his(her) sport at his(her) own risk. He(She) is responsible for his(her) own safety, and of people that he(she) finds in his(her) climbing. We must depend on a good judgment in taking decisions, discarding the expectations of others.", and I am also aware that Marcona Wind Trail distances, 10k, 21k, 42k, 65k and 100k, have a relatively risky activity. I should not sign up or participate, unless I'm medically capable of doing a Trail race (cross country) properly.

I agree to comply with any decision from the Director of the Race, as to my ability to safely finish it. I'm responsible for all the risks associated during my participation in "Marcona Wind Trail", including the risk either done by me or falls as a result of contacts with other participants, effects to weather-related, such as intense heat, humidity, cold, or wind, this are weather conditions that may varied among the trail, as well as the variation of altitudes whether on mountain, coast, on the road, along the seashore, or the traffic on the way. All these risks are well known and taken into account by me.

Having read the following disclaimer and regarding the acceptance of this application, myself or any person authorized to sign on my behalf, resign and release the director, the organizers of this race, the sponsors, their representatives, the guides, and instructors of any claim or liability of any kind that may occur during my participation in "Marcona Wind Trail", even if this responsibility comes from negligence or carelessness from part of the persons mentioned in this document.

I also authorize all the entities mentioned above to make use of my photos, movies, videos or any recordings done during my participation in the "Marcona Wind Trail", for any legitimate purpose.
